Temple Allen's STAND-UP EMMA™ Family of Tools

STAND-UP EMMA
Temple Allen Industries
+1 (301) 541-3662
info@templeallen.com

Temple Allen's Stand-Up EMMA product line addresses a wide array of surface preparation challenges encountered across a number of industries (aerospace, marine, windpower, rolling stock).

These tools solve health and safety challenges by reducing an artisan's exposure to poor postures, high grip forces, heavy vibration, and excessive dust.
